"Gentlemen: About September 10, 1908, my mother-in-law was taken sick with Catarrhal Pneumonin, which developed into Tuberculosis. In January, when Rev. With. Berg of St. Michael's Church, at Schererville, Ind., prepared her for death, he recommended that I get Eckman's Alterative and see if it would not give her some relief. The attending physician declared she had Consumption and was beyond all medical aid. Practically without hope for recovery. I assisted that she try the Alterative, which she did. I am glad to any that she acon began to improve. Now she works as hard as ever, weighs (wenty pounds heavier than she ever did before she took sick and is in good health." (Abbreviated) (Affidaviti.
